

MEDICATIONS ARE THE MAIN CAUSE OF DRY MOUTH

Over 400 common medications can cause Dry Mouth.^{1,2}

Taking more than 1 medication increases your risk of having Dry Mouth.^{1,2}

Acne

Amnesteem® (isotretinoin)
Claravis™ (isotretinoin)
Sotret™ (isotretinoin)

Addiction

Campral® (acamprostate calcium)
Habitrol® (nicotine)
Nicorette® (nicotine)
Nicotrol® (nicotine)
ReVia® (naltrexone hydrochloride)
Zyban® (bupropion hydrochloride)

Allergy

Allegra-D® (fexofenadine hydrochloride)
Astelin® (azelastine hydrochloride)
Benadryl® (diphenhydramine)
Bromfed® (brompheniramine maleate)
Chlor-Trimeton® (chlorpheniramine maleate)
Clarinex® (desloratadine)
Clarinex D® (desloratadine/loratadine/pseudoephedrine sulfate)
Claritin® (loratadine)
Claritin-D® (loratadine/pseudoephedrine)
Dimetane® (brompheniramine maleate)
Phenergan® (promethazine hydrochloride)
Pulmicort® (budesonide)
Rhinocort® (budesonide)
Trinalin™ (azatadine maleate)
Zaditor® (ketotifen fumarate)
Zyrtec® (cetirizine hydrochloride)
Zyrtec-D® (cetirizine hydrochloride/pseudoephedrine)

Alzheimer's

Aricept® (donepezil hydrochloride)
Exelon® (rivastigmine tartrate)
Razadyne® (galantamine hydrobromide)

Antibiotics / Anti-infectives

AmBisome® (amphotericin b liposomal)
Avelox® (moxifloxacin hydrochloride)
Bactroban® (mupirocin calcium)
Cipro® (ciprofloxacin)
Factive® (gemifloxacin mesylate)
Flouxin® (ofloxacin)
Ketek® (telithromycin)
Levaquin® (levofloxacin)
Maxaquin® (lomefloxacin hydrochloride)
Metrogel® (metronidazole)
Mintezol® (thiabendazole)
Noroxin® (norfloxacin)
Omnicef® (cefdinir)
Penetrex® (enoxacin)
PREVPAC® (amoxicillin/clarithromycin/lansoprazole)
Raxat® (grepafloxacin hydrochloride)
Spectracef® (cefditoren pivoxil)
Tindamax® (tinidazole)
Tygacil® (tigecycline)
Vantin® (cefpodoxime proxetil)
Zagam® (sparfloxacin)

Antipsychotics

Eskalith® (lithium carbonate)
Geodon® (ziprasidone hydrochloride)
Haldol® (haloperidol)
Lithobid® (lithium carbonate)
Loxitane® (loxapine hydrochloride)
Moban® (molindone hydrochloride)
Orap® (pimozide)
Risperdal® (risperidone)
Seroquel® (quetiapine fumarate)
Stelazine® (trifluoperazine hydrochloride)
Thioridazine® (thioridazine hydrochloride)
Thiothixene® (thiothixene)
Trilafon® (perphenazine)
Zyprexa® (olanzapine)

Antispasmodic Medication

Donnatal® (atropine sulfate/hyoscyamine sulfate/phenobarbital/scopolamine hydrobromide)

Antiviral

Cytovene® (ganciclovir)
Flumadine® (rimantadine hydrochloride)
Norvir® (ritonavir)

Appetite Suppression

Adipex-P® (phentermine hydrochloride)
Bontril® (phendimetrazine tartrate)
Fastin® (phentermine hydrochloride)
Meridia® (sibutramine hydrochloride monohydrate)
Tenuate® (diethylpropion hydrochloride USP)

Arthritis / Joint Pain

Arthrotec® (diclofenac sodium/misoprostol)
Arava® (leflunomide)
Cataflam® (diclofenac potassium)
Celebrex® (celecoxib)
Clinoril® (sulindac)
Enbrel® (etanercept)
Gengraf® (cyclosporine)
Mobic® (meloxicam)
Nalfon® (fenopropfen calcium)
Neoral® (cyclosporine)
Orudis® (ketoprofen)
Relafen® (nabumetone)
Voltaren® (diclofenac sodium)
Voltaren-XR® (diclofenac sodium)

Asthma / Lung Conditions

Advair® (fluticasone propionate/salmeterol xinafoate)
Alupent® (metaproterenol sulfate)
Atrovent® (ipratropium bromide)
Azmacort® (triamcinolone acetonide)
Beclovent® (beclomethasone dipropionate)
Brethine® (terbutaline sulfate)
Combivent® (albuterol sulfate/ipratropium bromide)
Foradil® (formoterol fumarate)
Maxair® (pirbuterol acetate)
Marax® (ephedrine sulfate/hydroxyzine hydrochloride/theophylline)
Nasacort® (triamcinolone acetonide)
Proventil® (albuterol sulfate)
Pulmicort® (budesonide)
Rhinocort® (budesonide)
Serevent® (salmeterol xinafoate)
Spiriva® (tiotropium bromide)
Tilade® (nedocromil sodium)
Vanceril® (beclomethasone dipropionate)
Ventolin® (albuterol sulfate)
Xopenex® (levabuterol hydrochloride)

Attention Deficit Disorder

Adderall® (amphetamine aspartate/amphetamine sulfate/dextroamphetamine saccharate/dextroamphetamine sulfate)
Desoxyn® (methamphetamine hydrochloride)
Dexedrine® (dextroamphetamine sulfate)
Dextrostat® (dextroamphetamine sulfate)
Focalin® (dexmethylphenidate hydrochloride)
Strattera® (atomoxetine hydrochloride)

Benign Prostatic Hyperplasia (BPH)

Hytrin™ (terazosin hydrochloride)
Urimax® (belladonna alkaloids/hyoscyamine sulfate/methenamine/methylene blue/phenyl salicylate/sodium biphosphate)

Bladder / Urinary Tract Infections

Pyridium® (butabarbital/fluoxetine hydrochloride/hyoscyamine hydrobromide/phenazopyridine hydrochloride)
Urised® (atropine sulfate/benzoic acid/hyoscyamine/methenamine/methylene blue/phenyl salicylate)

Cancer / Oncology

Actiq® (fentanyl citrate)
Alferon® (interferon alfa-n3 (human leukocyte derived))
Alimta® (pemetrexed)
Aloxi® (palonosetron hydrochloride)
Arimidex® (anastrozole)
Avastin™ (bevacizumab)
Casodex® (bicalutamide)
Doxil® (doxorubicin hydrochloride liposome)
Duragesic® (fentanyl)
Eloxatin® (oxaliplatin)
Intron® (interferon alfa-2b, recombinant)
Lupron® (leuprolide acetate)
Matulane® (procarbazine hydrochloride)
Megace® (megestrol acetate)
Sandostatin® (octreotide acetate)
Targretin™ (bexarotene)
Thalomid® (thalidomide)
Trisenox® (arsenic trioxide)
Viadur® (leuprolide acetate)
Xeloda® (capecitabine)
Zofran® (ondansetron)

Cold / Cough

Balamine® (carbinoxamine maleate/dextromethorphan hydrobromide/pseudoephedrine hydrochloride)
Bromfed® (brompheniramine maleate/dextromethorphan/hydrobromide/pseudoephedrine hydrochloride)
Dimetane® (brompheniramine maleate)
Dimetane-DX® (brompheniramine/phenylpropanolamine/codeine)

Crohn's Disease / Ulcerative Colitis

Asacol® (mesalamine)
Benty® (dicyclomine hydrochloride)
Canasa® (mesalamine)
Colazal® (balsalazide disodium)
Cystospaz® (hyoscyamine)
Donnatal® (belladonna alkaloids/phenobarbital)
Levbid® (hyoscyamine)
Nulev® (hyoscyamine)
Pentasa® (mesalamine)
Rowasa® (mesalamine)

Diarrhea

Imodium® (loperamide hydrochloride)
Motofen® (atropine sulfate)

Diuretic / Water Retention

Combipres® (clonidine/chlorthalidone)
Diuril® (chlorothiazide sodium)
Dyazide® (hydrochlorothiazide/triamterene)
Dyrenium® (triamterene)
Hydrochlorothiazide
HydroDiuril® (hydrochlorothiazide)
Hygroton® (chlorthalidone)
Lasix® (furosemide)
Maxzide® (triamterene/hydrochlorothiazide)
Microzide® (hydrochlorothiazide)
Midamor® (amiloride hydrochloride)
Thalitone® (chlorthalidone)

Epilepsy

Carbatrol® (carbamazepine)
Depacon® (valproate sodium)
Equetrol® (carbamazepine)
Gabitril® (tiagabine hydrochloride)
Lamictal® (lamotrigine)
Lyrica® (pregabalin)
Neurontin® (gabapentin)
Tegretol® (carbamazepine)
Trileptal® (oxcarbazepine)
Zonegran® (zonisamide)

Erectile Dysfunction

Caverject® (alprostadil)
Cialis® (tadalafil)
Levitra® (vardenafil hydrochloride)
Viagra® (sildenafil citrate)

Fungal Infections

VFEND® (voriconazole)

Glaucoma

Alphagan® (brimonidine tartrate)
Azopt® (brinzolamide)
Betimol® (timolol hemihydrate)
Cosopt® (dorzolamide hydrochloride)
Kerlone® (betaxolol hydrochloride)
Timoptic® (timolol maleate)
Timoptic-XE® (timolol maleate)
Trusopt® (dorzolamide hydrochloride)

Heartburn / GERD / Reflux / Ulcer

Aciphex® (rabeprazole sodium)
Axid® (nizatidine)
Carafate® (sucralfate)
Cystospaz® (hyoscyamine)
Levbid® (hyoscyamine)
Nexium® (esomeprazole magnesium)
Nulev® (hyoscyamine)
Pepcid® (famotidine)
Prevacid® (lansoprazole)
Prilosec® (omeprazole)
Protonix® (pantoprazole sodium)
Zegerid® (omeprazole/sodium bicarbonate)

Screen all patients for Dry Mouth. Help avoid:

- Ongoing bad breath
- Cavities
- Mouth infections
